5, Samothrakis str., 35100, Lamia

[info@tzovaras.gr](mailto:info@tzovaras.gr), [www.tzovaras.gr](http://www.tzovaras.gr)

***«Human life is a priceless good, which should be protected from dangers that result from negligence or economic strategy »***

***“The promotion of occupational health is a coordinated effort of employers, workers and society, which aims to the improvement of health and the well-being of people in the labour environment.”***

Extract from the Statement of Luxembourg  
for the promotion of health at workplace.

**The Greek and European legislation imposes measures for Occupational Health and Safety that aim to:**

- **The protection of workers.**
- **The protection of life and property of neighbours and passerbies.**
